## 1. Startseite (englisch)

Nutzen Sie dazu die offizielle Seite des Ministeriums: [www.certificat-air.gouv.fr](https://www.certificat-air.gouv.fr/) (französisch oder englisch)

The screenshot shows the homepage of the Air Quality Certificate Service (Certificat Air) in English. The browser address bar displays <https://www.certificat-air.gouv.fr/en/>. The page header includes the French Republic logo and the text "MINISTÈRE DE L'ENVIRONNEMENT, DE L'ÉNERGIE ET DE LA MER". The main navigation bar features links: Home, Simulation, Applying for your certificate, Tracking my application, Affix your certificate, and F.A.Q and contact. The central banner is titled "Obtaining the Air Quality Certificate" and explains that the certificate is issued based on vehicle registration information. It lists two main uses: finding out the vehicle's classification and applying for the certificate. Below this, six circular icons represent the Crit'Air categories: 0 (green), 1 (purple), 2 (yellow), 3 (orange), 4 (red), and 5 (dark blue). To the right of these icons is a button labeled "Watch the video". The footer contains two informational boxes: "All about the Air Quality Certificate" and "Which vehicles is it for?". The first box explains the certificate's purpose and includes a "Link to Ministry website" button. The second box lists eligible vehicle types and also includes a "Link to Ministry website" button. A cookie notice at the bottom states: "This website uses cookies to facilitate access to the services offered. More" with an "OK" button.

### Obtaining the Air Quality Certificate

The Air Quality Certificate is a secure document issued on the basis of information which appears on the vehicle registration certificate (or 'carte grise'). It certifies the vehicle's environmental class based on pollutant emissions.

In just a few clicks, you can use this service to:

- find out your vehicle's classification
- apply for an Air Quality Certificate

**Crit'Air**
